Plagued with nightmares of the accident and crippled by a vague fear whose source she can't identify, Joy realizes that in order to move on she must face the truth behind several disturbing gaps in her memory of that fateful spring. Surprisingly, this wasn't terrible. She refuses to deal with any kind of reality, and is beyond stubborn, sometimes hateful, and totally self absorbed.

If Long Time Coming is any indication of her writing talent, I will be first in line. Then spent the entire book crying. Learn more about Amazon Prime. She may have no choice but to try.

She has avoided the town since she graduated from high school because her best friend has treated him like complete garbage for most of their history. I loved the relationship between the two, helping each other even whilst trying to be mad at each other, was lovely and the way in which Joy looked after the dog was beautiful.
