Qigong can be completely ignored with little to no consequences. I may not believe it, but other people do, and there are rules for it.

If any of these can be heard then others also will later be discovered. Paul in 1

Would you like to tell us about a lower price? This is an example of creative thought patterns that come when you give yourself time to be in the moment and give recognition to your inner self. Was there any time for fantasy left? Ok, the answer your looking for is in Je Tsongkhapa's Guhyasamaja commentary under the heading The necessity of penetrating the vital points of the body. For the most incredible breathtaking breakthrough in the history of your life, Go here for more info.
