As delightful as the memoir is, however, it may resonate much more with the intended audience's parents and grandparents. Accompanying photos of the people she writes about, as well as the toys, books, and outfits mentioned, add another layer of interesting context to the book. I only read topg. An older child probably 12 or 13 would have a better chance of grasping the ideas. As a matter of fact, they're not even exactly chapters. I'm giving this memoir 3.
