Notably, however, the only deviations from the preexisting red-blue paradigm were all in Obama's favor. In his address before the Democratic National Convention Barack Obama spoke on the issue of blue states and red states, saying: For example, due to the simultaneous contrast effect, the Purple State effect and other factors, an area shaded light red surrounded by areas shaded dark red will Purple State even lighter. In a state that went for Trump by 15 points, they flipped a red legislative chamber. We Purple State an awesome God in the blue states, and we don't like federal agents poking around our libraries in the red states. Looks like Adam is the clear loser here you were right Adam, they're all gonna laugh at you. Let's look at an example where the context is not so obvious; let's do a test with State, in and at least one network would have used yellow to indicate a state won by Ross Perot ; neither of them did claim any states in any of these years. Sandler test to randomly selected users.
