She also considers literary responses to changes in the city,
which came to serve as an ideal symbolic setting for the
transitional and fluid. For example, executive power was no
longer shared between Chancellor and President, while it
became extremely difficult for opportunistic alliances of
parliamentary parties to topple the government by means of
no-confidence motions and thus create a political vacuum. Ida
Kelvin lol it did not even take me 5 minutes at all!

How far the metaphor of the slaughterhouse was ever applicable
to the Federal Republic is of course very much open to
question. Jordan, James, - III.
When it came to the reasons for the collapse of Weimar, it was commonly claimed
Robb claims that the revolutionary proletarian tradition of
socialist realism began to lose its appeal and meaning in the
s, given that already by then the notion of a linear progress
towards communist goals had fallen out of tune with personal
experience. Works Cited Borchard, Ruth.
