When the television adaptation of the first two novels aired in fall ofCornwell reiterated how the idea took shape in his mind when he met his birth father in Canada. This offers the reader a balanced picture of the conflict of the times, when it was in no way a certainty that there would be an England or Angle-land instead of a "Daneland" as the southern Book 5) central parts of the island of Britain. The story centres on the emergence of England as a nation on the island of Britain from the vision and actions of Alfredlater dubbed "the Great".
