But before she can even begin to look, she's whisked away to the World Wide Memory Bank, where her accounts are in disarray. Instead, The Memory Bank parents tell Hope to "Forget. The closest I can think of would be Lemony Snicket's series, but even then there are ma I thought I'd let Megan give the first review of the book.

A memory bank is a logical unit of storage in electronics, which is hardware-related.

The parents dump little Honey off at the side of the road.

Books by Carolyn Coman. Apparently reviews are mixed, but I really enjoyed this book!

The parents dump little Honey off at the side of the road. Harsher and harder to believe than Hansel and Gretel?
