### **Sikhism: Science & Sikhism**

Science has lot to take from the Siri Guru Granth Sahib for future guidance. The latest religious scripture Sri Guru Granth Sahib has already described these Sri Guru Granth Sahib is the supreme scripture of the Sikhs.

Religion explores consciousness while the science explores material aspects of Nature. Sikh religion has the distinction of combining the material and spiritual.

Sikhism has been criticized in one way or another by proponents of other theories. These critics include both Sikhs and non-Sikhs under different motives.
