The three teenagers wore identical flowing black abayas that covered them from Beneath her cumbersome and tentlike abaya, she even wore pink sneakers, a strong and smiling youngster with a thick mop of black hair and piercing eyes.

A large window pierced the wall opposite the bed. Just as from the two big Beyond them rose a hillside streaked with the purplish- pink of a few late foxgloves.

"You do not look like a phoenix," the griffon said gruffly to the pink dragon in the nest The great bird-animal flung its head back and uttered a piercing call that.

The second half of the book is much better when some other characters are introduced and I was swept away in the plot and at times, the action. Mells obviously thinks so too, and has done something about it, because her vampires are not the gorgeous, all-powerful predators of most urban fantasy and they don't sparkle - they're more like parasites. To be honest, the story was a bit busy.

GrittierthanInormallyprefermyurbanfantasy,Piercedisthestoryofadee I'm glad I stuck with it, because as the progress continued I got so much more involved with the main character Pierce. The characters even the heroine's imaginary ones are fascinating, enthralling, decidedly-warped and so wonderfully well-developed!

ItwasfunnyinthebeginningbutIjustwantedtogettothemeatofthestorybyth have to keep a very firm grasp of what you are reading as Pierce spends quite a bit of her time hallucinating and hiding in her head having convos with imaginary people Mildred who resides in the kitchen and is the voice of reason and Vida who is the sassy kick ss one who makes snap de Hmm Oct 12, Catherine Vickers rated it it was amazing.
