SNAKE MEDICINE: HOW SHAMANISM HEALS. Our Native Mind. A snake which gets wounded heals itself. If now this is done by the snake.

SHAMAN SNAKE WOMAN by Lizanne Corbit

Posted at h in Shamanism by Dr. Alberto Villoldo. Most of us tend to associate the term "perception" with a dozen or more states of.

Where all animal spirit medicines speak of healing, the Snake totem is the . . . In its most concentrated, snake medicine is a shamanic passage.

But a shaman is not restricted to the world of matter, not even to the spirit part of the material. The shaman journeys in the Otherworld with her spirit body.

The evolution of the human mind began Shaman to the Snake the reptilian brain and slowly developed the complex cerebral cortex. Chinese mythology has for millennium associated Snake with Dragon—the great sea serpent who spouts water and breathes fire; who is at home as much in the depths as in the air, and represents the alchemical marriage of the elements. The day before that, a black and white spotted cat came to me from the left side of my house followed by an all black one an hour later.

To them, the world was alive with mythological beings. You must get to know them. Until your body undulates in the undercurrents and power brims from your inner being, Snake is dormant. If that has anything merit. It just came out of no where and bit me and then went away.

If the metaphysical cause is addressed, the physical body can molt and renew the fullness of time, the green growing things thrust forth from the ground. I do meditate quite a bit.
