For many of you, this may have seemed too good to be true. I want good treatment all the time. But in this book I go beyond schizophrenia.

A recent major review of two thousand research trials conducted during this period. There is also the possibility you will become addicted to the drugs, which is hardly a desirable outcome. I now believe in the following metaphor:

Brook spoke on various topics including the war in Iraq and the Presidential election. At this point, the Foreword, the Preface, and Chapter 1 had not yet been written. Often this is done without the prescribing doctor examining the people they prescribe for in any depth.
