War itself, the old red anarch, is passing. View or edit your browsing history. Hiba rated it liked it Sep 16, It dates as old as the people start to hunt, to make tools, to explore and to conquer. Advances in mechanization would generate ever-greater efficiencies, and ever-greater wealth for the whole society. And yet, not only did they not all perish, but more rose by the sword than perished by it, else man would not to-day be over-running the world in such huge swarms. He killed to make room, and as he The Human Drift room ever he increased and found himself crowded, and ever he went on killing to make more room.

Want to Read saving... The old days of virgin continents will be gone. Not only will population catch up with subsistence, but it will press against subsistence, and the pressure will be pitiless and savage.
