Sep 02, Patricia rated it liked it. I remember that time though I am younger. By creating an account, you acknowledge that PBS may share your information with our member stations and our respective service providers, and that you have read and understand the Privacy Policy and Terms of Use.

I've always enjoyed reading Jerry Apps, and this book is no exception. Origin of Life as a Chemical Ecological Problem. This book was a wonderful quick read and I love that Jerry says at the end of the book that if it wasn't for Polio, he would not be the writer that he is today. Special 59m 13s Add to Watchlist.
