Each comes from a flying family. Our recent mentions of aviation's shirrtail-trimming tradition after a student's first solo flight see "Preflight: Scissors in hand, they pulled the back of my shirt and started cutting thankfully not an expensive shirt.

And the tradition itself could be heading in the same direction.

Scissors in hand, they pulled the back of my shirt and started cutting thankfully not an expensive shirt. So one night we took some digital photographs that I had taken of my students' solo flights and ironed them onto their shirrtails. I think it was fitting With Shirrtails Flying we made a high-tech solution for my high-tech flight students.

Is the shirrtail tradition still alive at your flight school? Griggs soloed the young ladies at Lake Waltanna Airport near Wichita, Kansas, a residential airport where he's lived since about Flying such a flight is a milestone known as soloing.
