The work that Dubinsky, her research assistants, and a myriad of unseen players and supporters conduct is fascinating to read. Write a customer review.

Built on the Johns Hopkins University campus. Write a customer review. Are you building emotional intimacy? To approach children as highly-prized objects within paradigms of transnational privilege—the continuation of politics by other means—is to expose in the most intimate of settings the ways that the powerful and the powerless are drawn together into an inexorable relationship with one another, with all too predictable outcomes.
