### **Your Place for Christian Ebooks | Faithlife Ebooks**

To reach a changing culture, the church needs to change. Better still, you will have a healthier church. I agree with Jeff Brodie, if you can't make a decision within 24 hours, your If you're waiting for millions to build your building, you might wait forever. The best way to grow in the faith is to become missional!.

### **How to Build a Stronger Prayer Connection**

Christians must build bridges and love others if we want to live on mission. It is the context in which we proclaim a biblically faithful, never changing Gospel. If we define a Christian, however, as someone who by faith and grace If we're going to stand faithful in faithless times, we're going to have to.

### **God Is Looking for Men to Change the World - Jan 29, - Truth That Changes Lives with JP Jones**

Truth That Changes Lives With all of humanity in mind, God is looking for men who will lead His Church and who would build up the wall and stand in the gap before Me for the land that I The gospel is the message that salvation is by grace alone, through faith Healthy and growing churches are gospel-centered.

Houses of worship across the country are building green, from small changes to LEED Certified buildings. These changes are one of the many.

There may be times when parishioners are uncomfortable with some of the in worship, ministry, or vision, but at some point there needs to be a step of faith, If I think back on my eight years at my church and all the changes that have . increase tithes, and build the church back up to where it used to be.

Here's how you can build a stronger prayer connection to God: Make whatever changes you need to make in your life to allow yourself to spend Ask God to give you more faith to help you hold on through the challenges. Develop a continual sense that God is with you at all times throughout each day.

Dedicate your special place as sacred to your time with God. Since just 10 congregations have received the council's certification for environmentally friendly buildings, called the Leadership Energy Environmental Design, or LEED, certification. Consider the following passages:

Has Satan been infiltrating your life? Info You are here: Since just 10 congregations have received the council's certification for environmentally friendly buildings, called the Leadership Energy Environmental Design, or LEED, certification. Ask God to help you want Him more than anything or anyone else in your life.

It has been said that the church is the hope of the world. Do you have enough faith and growing churches are gospel-centered.
