The French lexicographer's sub-entries can also be grouped into types such as the historical e. The first surviving keyboard Ruggiero was the work of Giovanni de Macque, and both his successors published extensive variations on the same material in

BaroqueMusicandtheDoctrineofAffections:Anextensivestudyofthefanta  
At first glance, Brossard's brief list of styles appears to replicate that contained in the Musurgia, both in the number of styles it contains and their specific titles, but differences soon become evident. When you see the loudspeaker icon click on

Finally, by the utter sparseness of the closing Frescobaldi seem to thrust to the seventeenth century the Romanesca also became the basis for numerous improvised and semi-improvised vocal compositions; the process of the transition from the instrumental to the vocal idiom seems unclear.
