### **My Five-Year-Old's Ready for Her First Sleepover, but Am I? – Babble**

It's normal for kids to be both excited and nervous for their first sleepover. Gradually ease her in with these tips.

Going to your first sleepover is a Big Kid Rite of Passage. It means you've officially crossed the threshold from "I go to playdates my mom set up".

I have always found her sense of independence refreshing, but when it comes to her first time sleeping away from me? I'm having a hard time letting go.

It's not unreasonable to want to know how your child's evening will go. The next day when I picked Harlan up from school it was the same conversation.

As for guest parents, follow the golden rule and don't do to host parents as you would want them to do to you. Even though they chattered until 3 a. Another question to consider is whether your pint-sized guests are ready. When Siblings Feel Left Out.

Makesureyoupackanyloveys,specialpillowsandblankets,and specialmedications. If your child doesn't like scary movies but is too afraid to say something, speak up ahead of time and let the parents know of any other potential trouble spots, including allergies to food and pets.
