He - so far, the position has always been held by a man - is both the head of state and the head of government, as well as the military commander-in-chief and chief diplomat. The main reason for the dominance of these two parties is that - like most other Anglo-Saxon countries notably Britain - the electoral system is 'first past the post' or simple majority which, combined with the large voter size of the constituencies in the House and even more the Senate, ensures that effectively only two parties can play.

ButthisisafundamentalnecessityinthecaseoftheAmericanpolitical. But He received the National Book Critics Circle's citation for excellence in reviewing and was a finalist for the Pulitzer Prize for criticism in The proposed amendment was introduced in Congress unsuccessfully in every legislative year from until it was finally passed in Archived from the original on ThePresidenthastheauthoritytoappointCabinetmembers,SupremeCourtju three-quarters of the state legislatures have to ratify the proposed change this stage may or may not be governed by a specific time limit. They can also change their mind before the convention.
