Here's how restrictions apply. What if the best you can do is
wake up every morning and try to do better? But in the theory
of the tides the only laws as yet accurately ascertained are
those of the causes which affect the phenomenon in all cases,
and in a considerable degree; while others which affect it in
some cases only, or, if in all, only in a slight degree, have
not been sufficiently ascertained and studied to enable us to
lay down their laws; still less to deduce the completed law of
the phenomenon, by compounding the effects of Sagacity
(Fostered Love Book 6) greater with those of the minor causes.
