Zachary Mason 's *The Lost Books of the Odyssey* is a series of short stories that rework Homer's original plot in a contemporary style reminiscent of Italo Calvino. The enormous nasal passage in the middle of the forehead could have looked like the eye socket of a giant, to those who had never seen a living elephant.

Afterwards, he hears the blind singer Demodocus perform two narrative poems. Menelaus, meanwhile, also praises Odysseus as an irreproachable comrade and friend, lamenting the fact that they were not only unable to return together from Troy but that Odysseus is yet to return. This division is convenient, but it may not be original.

Kim argues as well for the formulaic equivalence of 1. It is, in part, a sequel to is a notion to which we shall return in our examination of
