Each new song represented a further step along the journey that was, in Graham Johnson's opinion, 'to take the Lied back to Ich aber bin elend - From Three Motets Op. 110 for the first time since Schubert's death'. Bonney has much to look forward to as her investigations of the Lieder progress. The problem, however, rests as much in Brahms's nonchalance as in our own neglect; specifically in his scant disregard for his place in history and in his refusal to bend himself or his music to the pressure of peers or elders or to conform to their salutations or their sarcasm.
