The story ends with the non-appearance of the teacher at school, and the readers are left to assume that he has committed suicide; rather than killing his lower, selfish ego, or soul nafi. Having graduated, I continued my studies in Japan, where I was introduced to Dr Iraj Parxitiéjad who asked me to translate an article that he had written about Kasravi as a literary critic and which contains a brief section on Kasravi's anti-Sufi views. The poor man climbed a tree to get out of the path of the dervish who decided to stop. It has taken about four years for this project to bear fruition, and in the course of this period many other researchers and friends have helped me in a number of ways. His stress on reason and the de-mystification of religion caused him to repudiate Sufism and much of the Sufi literary heritage as backwards and believed it a reason for the

weakness of modern Iran.

One can find numerous cases in Persian mystical literature in which the necessity of a personality would survive under the greatest of trials: Get to Know Us.
