He explained that while today many people know about the tree, years ago it was a secret shared by two lovers. La Motte had little doubt that these stairs led to apartments, corresponding with those he had passed below, and hesitated whether to explore them; but the entreaties of Madame, who was much fatigued, prevailed with him to defer all farther examination. They continued to laugh and talk cheerfully for a time; yet their merriment was transient, if not affected; for a sense of their peculiar and distressed circumstances pressed upon their recollection, and sunk each individual into langour and pensive silence.

Today, people from all over the planet write letters addressed to the tree, how
View image of A 3m-tall ladder leads to a tiny knothole where people send love letters in the year-old tree Credit: He had not gone far, when he perceived him between the trees, leading his horse.

The extent of the passages soon concealed Peter from view, and the echoes of his had frequently occurred to La Motte, that this apparently forsaken edifice might be a place of refuge to banditti. The tapestry, that was decayed, and hung loosely from the walls, was now nailed up, and made to look less desolate; and, though the room had still a solemn aspect, from its spaciousness and the narrowness of the windows, it was not uncomfortable.
